Re: Act 44 Disclosure Form

Dear Mr. Pepe,

Our office has researched the provisions of Act 44 and determined that the position of Municipal Solicitor is not subject to the provisions of Act 44 as we are not paid from the pension fund. Act 44 only applies to entities that are paid directly from the pension fund, such as fund managers, plan advisors, actuaries, etc.

If you have any further questions, please feel free to call.

Kindest Regards,

Anne Sweeney
