STRATEGIC PLANNING

The purpose of the meeting was to discuss borough plans for future capital costs and contractual agreements relating to the Main Street Revitalization project and all projects related to this program. This is needed to plan for what is needed, affordable and practical. This needs to be clear before actual decisions are made on what we will be doing in the future.

There was only discussion and no formal actions or motions were made.

The meeting was recessed at 9:00 AM by President Bayer. He announced that the meeting would reconvene, at the same location, on November 3, 2014 at 7:00 AM.
