Council President Underwood recognized Wendy Leslie to conduct the public hearing. Ms. Leslie noted the purpose of the hearing is to provide citizens with an opportunity to comment on a proposed modification of 2009 Community Development Block Grant ARRA Funding. The Borough wishes to re-allocate \$33,470 from the 2009 Park ADA Project to Zelienople Borough Housing Rehabilitation project.

All interested citizens were invited to attend and comment or to submit their comments in writing to Zelienople Borough 111 West New Castle Street, Zelienople PA 16063.

The proposed use of these funds are a result of the Butler County Housing Authority asking for additional funding for the Housing Rehab program and is requesting that the Borough reallocate our 2009 CDBG ARRA stimulus funds for that purpose. The amount requested is \$33,470 and covers the following:

- 2 additional projects costing \$27,850
- Complete a current project costing \$3,758

Total cost is \$31,608 giving a \$1,862 cushion for any small overage in the three contracts.

Ms. Leslie asked if there was any public comment at the hearing and none was forthcoming. She also asked if there was any comments provided to the Borough in advance of the hearing and none were received. She then asked if there was any comment by the Borough Council and there was none.

The public hearing was adjourned by Council President Underwood at 7:32 PM
